**OBSERVED VIOLATIONS**

1. N/A

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

**ADDITIONAL COMMENTS**

1. This site is currently inactive and land application has not occurred for a very long time. No land application may occur until the Division has inspected the site for compliance with all permit conditions and the nutrient management plan. The site will also need to be GPS'd and a soil analysis is required per Permit Condition 2.

Please contact me if you have any questions or concerns regarding this inspection report.
