None

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS

- 1 – Trim weeds around sign.
- 2 – Road is well maintained.
- 3 – Disposal areas are well marked.
- 4 – It appears all septage discharges are within the permitted boundaries.
- 5 – Need to rake and bale that has been cut to prevent shading out of bermudagrass.
- 6 – Continue to work on your stand of bermudagrass.
- 7 – PH not checked due to no application of septage today.
- 8 – No objectionable odors noted during this routine site visit.
- 9 – It appears that all setbacks are in compliance with the permit requirements.
- 10 – Records not evaluated during this routine site visit.

Please contact me if you have any questions or concerns regarding this inspection report.
