**RE: Closure of Permits #SLAS-72-01 and #SDTF-72-01  
Hwy 17 in Perquimans County**

Dear Mr. Bass:

The NC Division of Waste Management received your notice of cease operation on June 3, 2011 for the operation of Septage Land Application Site, permit #**SLAS-72-01**, located on Hwy 17 in Perquimans County. A final inspection was conducted on November 11, 2011. As of this date, permit #**SLAS-72-01** has been closed out with ours records.

Also, the Division has closed out permit #**SDTF-72-01** for the operation of a Septage Detention and Treatment Facility at the same location. The Division received your notice of cease operation on June 3, 2011 for the septage detention facility covered under permit #**SDTF-72-01**. A final inspection was performed on April 29, 2013.

Remember that no septage land application or storage may occur in the future at this location or any other location unless a permit has been issued for septage land application or storage by this office. Furthermore, the use of a septage land application site or a septage detention or treatment facility that is not permitted may result in administrative penalties up to \$15,000 per violation in accordance with NC General Statute 130A-22. If you have any questions concerning this matter, please do not hesitate to call me at (919) 707-8283.

Sincerely,

Chester R. Cobb, Soil Scientist  
Composting & Land Application Branch
