ADDITIONAL COMMENTS

1. The required signage is present at the entrances to this site.
2. Access road is well maintained.
3. One marker missing. I placed an orange flag where the marker needs to go.
4. No septage discharges noticed outside of the permitted boundary of the field.
5. No spot dumps or thick applications noticed today.
6. The small grain had not been planted yet.
7. No application at time of inspection. pH not checked.
8. No objectionable odors noticed today.
9. No change noticed that would affect any of the setback distances.
10. Records not checked.
11. No violations noted today. I collected a soil sample of the field.

Please contact me if you have any questions or concerns regarding this inspection report.
