Re: Facility Compliance Inspection Report - Plan
Charlotte Motor Speedway MSW Landfill V
Cabarrus County
Solid Waste Permit Number 13-04
DIN 25535

Dear Mr. Gurley:

The Solid Waste Section has completed a review of the letter dated January 21, 2016 (DIN 25534) and submitted by Republic Services, Inc. for the Charlotte Motor Speedway MSW Landfill, Solid Waste Permit Number 13-04. The letter was submitted in response to a release within the ditch line.

Republic Services, Inc. proposes to excavate the ditch down to as close as native soil as possible. Once the excavation is complete, a soil sample will be collected and analyzed for Appendix I of 40 CFR 258 constituents. The proposed timeline for the excavation will be two weeks, weather permitting, and seven days for the analytical results.

As a result, the activities proposed within the January 21, 2016 letter are approved as described. Please implement the approved plan within seven days of receipt of this letter.

If you have any questions or concerns regarding this letter, please feel free to contact me at 828.296.4706 or by email at jaclynne.drummond@ncdenr.gov. Thank you for your continued cooperation with this matter.

Sincerely,
