Subject: Revision of Operating Hours, Approval  
Permit No. 1910-STRUCT-2015, Brickhaven No. 2  
Chatham County, DIN 25542

Dear Mr. Amey:

On January 25, 2016 the Division of Waste Management, Solid Waste Section (Section) received Green Meadow, LLC's and Charah Inc.'s (Charah's) request, entitled;

*Request for Revision of Operating Hours, Brickhaven Mine No. 2, Permit No. 1910-STRUC-2015, Chatham County.* Prepared by Green Meadow, LLC and Charah, Inc. January 2016. DIN 25541.

The request from Charah is for a revision in the operating hours of the Brickhaven facility, to 24 hours per day and 7 days per week.

The Section has reviewed Charah's request and hereby approves the immediate implementation of the revised operating hours. Charah shall consider the referenced request (DIN 25541) as an approved document. The Facility should operate in this manner until the current facility permit is either amended or modified. Therefore, the next time the Brickhaven facility prepares either a permit amendment or modification it is expected to submit an updated Operations Plan with the revised operating hours included.
