Subject: Permit to Construct and Operate
Currin Landfill #2
Permit No. 32I-LCID-1995, Durham County, Document ID No. 25292

Dear Mr. Currin:

Please find the enclosed permit for the Currin Landfill #2, Permit No. 32I-LCID-1995, which approves continued operation of the Areas 1-6 and the construction of Areas 7-8 of the facility. Pre-operation conditions listed in the permit to construct must be met prior to operation in Areas 7 and 8. Smith + Gardner will provide you a copy of the final version of the application with approval stamp.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Mary Whaley. She can be reached at (919) 693-5023 or (919) 621-3685.

Sincerely,
