Subject: Determination of Completeness – Application Complete
Heritage Farm Properties, LLC LCID Landfill
Guilford County, Permit # 41J-LCID-2010, Document ID 25280

Mr. Swing,

The Division of Waste Management, Solid Waste Section (Section) has received your request for the five-year renewal of the Permit to Operate (DIN 25104) for the above referenced facility. The document was received in the Asheville Regional Office on October 8, 2015.

The submittal has been reviewed for completeness in accordance with General Statute 130A-295.8(e). A determination of completeness means that the application includes all required components but does not mean the required components provide all of the information that is required for the Section to make a decision on the application. The permitting activity fee has been paid and all of the components required by 15A NCAC 13B.0565 have been submitted so the application is deemed **complete**.

If any additional information is required to complete the permitting activity, it will be requested in the future under separate cover.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov .

Sincerely,

Allen Gaither
Environmental Engineer
