Re: **Design Hydrogeologic Study**
Lincoln County Subtitle D Lined Landfill, Phase 4
Crouse, Lincoln County, North Carolina
Permit No. 55-03
MESCO Project No. G15041.6

Dear Mr. Sugg:

Enclosed is 1 hard copy and 1 pdf disk copy of the Design Hydrogeologic Study as part of the Request for Permit to Construct Phase 4 of the Lincoln County Subtitle D Landfill located in Crouse, Lincoln County, North Carolina. This report has been completed to meet the requirements as described in 15A NCAC 13B Rule .1623(b).

Water Quality and Landfill Gas Monitoring Plans have been submitted under separate cover. The engineering portion of the Permit to Construct will be submitted soon. It is understood that under GS 130A-295.8 (e) the review period begins upon complete submittal of the application package, which includes the application fee.

Please contact us by email at jpfohl@mesco.com or by phone at (919) 772-5393, should you have any questions or comments regarding this report.

Sincerely,
MUNICIPAL ENGINEERING SERVICES CO., P.A.
