Dear Mr. Matthis:

Enclosed please find the Leaking Petroleum Underground Storage Tank Cleanup Funds Application for station #4-3998. I have reviewed the work completed on this application and to the best of my knowledge it is in compliance with the procedures for reimbursement.

Please let me know if you have any questions or would like additional information about this site. My number is (713) 656-1107.

Sincerely,

/erh
