Greensboro, NC 27405

SUBJECT: Initial Groundwater Testing & Stockpile Sampling
Reports, Worth Industries, 3416 Sandy Ridge Road,
Greensboro, Guilford County, NC
Incident # 10004

Dear Mr. Whisnant:

This office has received the Initial Groundwater Testing & Stockpile Sampling Reports for the referenced site. These reports are being returned to you to be sealed by a Professional Geologist (or Engineer) per Title 15A North Carolina Administrative Code 2L .0103(e). Following is the referenced citation:

(e) Work that is within the scope of the practice of geology and engineering, performed pursuant to the requirements of this Subchapter, which involves site assessment, the interpretation of subsurface geologic conditions, preparation of conceptual corrective action plans or any work requiring detailed technical knowledge of site conditions, which is submitted to the Director, shall be performed by persons, firms or professional corporations who are duly licensed to offer geological or engineering services by the appropriate occupational licensing board or are exempted from such licensing by G.S. 896E-6. Work which involves design of remedial systems or specialized construction techniques shall be performed by persons, firms, or professional corporations who are duly licensed to offer engineering services. Corporations that are authorized by law to perform engineering or geological services and are exempt from the Professional Corporation Act, G.S. 55B may perform these services.

In addition, please find enclosed a Certificate of Approval which should be completed and submitted to Shuying Wang of the Winston-Salem Regional Office at the letterhead address. Soil which was once contaminated can not be land applied without a Certificate of Approval being issued first.

If you have any questions, please contact Kelly C. Gage at 301 N. Eugene St., Greensboro, NC 27401 or (910) 373-3771.

Sincerely,

Larry D. Coble

Larry D. Coble
Regional Supervisor
