Dig out and dispose of (1) 5,000 gallon diesel tank. Furnish (2) soil tests. Backfill hole with clean material. Notify proper authorities and furnish tank disposal report.

For the sum of: \$ 3,500.00

Note: If there is any material in tank, an extra charge of \$ 125.00 plus 50¢ per gallon to pump and dispose of same will be added to above price.

If any contaminated soil is encountered, it will be dealt with on a time and material basis with prior notification to owner.

Sincerely,

Rex L. Beck

OK TO START.
