Subject: Underground Storage Tank Closure, Parkway Baptist
Church, 1411 Benjamin Parkway, Greensboro, Guilford
County

Dear Sirs:

On August 29, 1991, we received the soil sample results and closure assessment from the underground storage tank closure at the subject location. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined from review of your assessment that no further action is needed at this time. However, this does not absolve you of any responsibility for contamination that may not have been detected during the site assessment.

If you have any questions, please feel free to contact me at the letterhead address or telephone number.

Sincerely,

A handwritten signature in cursive script that reads "Thomas A. Salley".
