NCDENR Incident No. 10076

Dear Ms. Rintoul:

ATC Associates of North Carolina, P.C. (ATC), on behalf of Sunoco, Inc. (Sunoco), is requesting an extension of the deadline for submittal of a Notice of Residual Petroleum (NRP) for the above referenced site. The North Carolina Department of Environment and Natural Resources (NCDENR) issued a notice requesting completion of a NRP on January 26, 2003. Sunoco recently transferred the project from their prior consultant to ATC. Due to the transfer activities, ATC only recently received a copy of the notice. To allow time for ATC to obtain pre-approval of costs, obtain necessary information from a NCDENR file review and from Guilford County, obtain a signature from the property owner, and submit the NRP to NCDENR, ATC is requesting an extension of the NRP submittal deadline until April 30, 2004.

If you have any questions or require additional information, please contact us at (919) 871-0999.

Sincerely,
ATC Associates of North Carolina, P.C.
