NCDENR Incident No. 10076

Dear Ms. Rintoul:

ATC Associates of North Carolina, P.C. (ATC), on behalf of Sunoco, Inc. (Sunoco), is requesting an extension of the deadline for submittal of a Notice of Residual Petroleum (NRP) for the above referenced site. ATC sent the NRP to the property owner, Andrew J. Schlosser, Jr. for approval and notarization. Mr. Schlosser forwarded the paperwork to his nephew, an attorney, for review. Mr. Schlosser's nephew, Mike Schlosser, is still reviewing the paperwork. To allow time for Mr. Schlosser to complete his review, ATC is requesting an extension of the NRP submittal deadline until June 30, 2004.

If you have any questions or require additional information, please contact us at (919) 871-0999.

Sincerely,  
ATC Associates of North Carolina, P.C.
