MEMORANDUM

TO: Larry Coble
FROM: Janet Russell *JMR*
SUBJECT: Tri-State Petroleum Equipment Company
Route 9, Box 331A
Asheboro, NC

As you may recall, Sherri Knight and I investigated a complaint at property owned by a Mr. Hodgin and his wife - one or both being employed by the above-referenced company. On the day of the investigation, we found many storage tanks and some piles of soil that we believed to be contaminated with petroleum products.

In performing assessments of sites, I have run across one site where Tri-State has been involved and claimed to have properly disposed of tanks. See attached Certificate of Disposal. Would it be helpful to forward such information to the individual working on this case? Please advise.
