SUBJECT: Underground Storage Tank (UST) Closure Assessment at Winston-Salem
Armory (NON-REG), 2000 Silas Creek Parkway, Winston-Salem, Forsyth
County

Dear Mr. Preddy:

The Groundwater Section of the Winston-Salem Regional Office is now reviewing the UST closure assessment for the subject location. In order to determine whether or not the closure was performed in accordance with State and Federal regulations, the Groundwater Section must be provided with the following information *30 days from receipt of this letter*:

- o the disposal manifest for sludge contents from the subject UST. Note: The Closure Report claimed that "Evergreen evacuated the vessel of residual product...", but no manifest was included in the report.

Your cooperation is appreciated. Providing the requested information by the deadline specified in this letter will prevent a Notice of Violation being issued to you for the failure to provide an adequate closure report.

Mid-Atlantic Associates, P.A. prepared the closure report on the subject UST. The Closure Report is dated August 31, 1991 and the Mid-Atlantic Job No. is MAA-95-250J.

Please refer to the file name, **Winston-Salem Armory (NON-REG)**, on the cover letter of your reply. This will help us speed up the review. If you have any questions please contact me at the letterhead address and/or telephone number.

Sincerely,

Michael B. Amsbaugh
Hydrogeologist
