SUBJECT: File Names for NC DOT - Yanceyville Facility

Dear Mr. Willis:

Our office has recently separated the subject facility file into three separate files. They will now be called:

NC DOT - YANCEYVILLE - A
NC DOT - YANCEYVILLE - B
NC DOT - YANCEYVILLE - C

I have enclosed a copy of each of the GW/UST-2 forms previously submitted to make clear what tank systems belong to which file. I have listed the file name in red ink. Please use the new file names on any future correspondence. If you have any questions please give me a call at (910) 896-7007.

Sincerely,

Sabra M. Elder
Hydrogeological Technician II
