SUBJECT: Underground Storage Tank (UST) Closure - NC Baptist Medical Center - Victoria Ct. Apts., 300 S. Hawthorne Road, Winston-Salem, Forsyth County

Dear Mr. Ouellette:

On June 19, 1992, we received the soil sample results and closure assessment for the subject location. After careful review of your report, it appears that no further action is warranted. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Sabra Elder or me at the letterhead address and/or telephone number.

Sincerely,

W. Waddell Watters
Hydrogeologist
