Attn: Jerry Burnham

SUBJECT: Underground Storage Tank (UST) Closure Assessment at National Wholesale Co., Inc., 400 National Blvd, Lexington, Davidson County, Incident Number Unassigned

Dear Mr. Burnham:

The Groundwater Section of the Winston-Salem Regional Office is now reviewing the UST closure assessment for the subject location. In order to determine whether or not the closure was performed in accordance with State and Federal regulations, the Groundwater Section must be provided with the following information *30 days from receipt of this letter*:

- o/k o a base map (scale map) showing the orientation of the tanks, and **product lines** -- named roads, buildings, and underground utilities -- North arrow and identified sample locations;
- o/k o sample under all associated product lines with no less than one sample for lines 20 feet or shorter, and at least one sample for every 20 feet thereafter; and,

Your cooperation is appreciated. Providing the requested information by the deadline specified in this letter will prevent a Notice of Violation being issued to you for the failure to provide an adequate closure report.

All soil sample analyses must be accompanied by a chain-of-custody and the sampling protocol. *Please note that all subsurface investigative work is now required to be supervised by a Licensed Geologist or Professional Engineer, with all reports signed and sealed by that professional.* Please refer to the file name, **National Wholesale Co., Inc.**, on the cover
