SECRETARY

RE EPA ID NO.: NCR000000398

Dear Sir/Madam:

WILLIAM L. MEYER
DIRECTOR

Based on information received by this office for the site identified with the above EPA ID number, the State has accepted and processed the change in RCRA classification or information for the above listed site.

Your EPA ID number has been inactivated.

Please verify the above computer information, and notify us of any corrections.

We are advising EPA of the change. Please notify us if there is any further change in your operation which would affect your Company's name, Ownership, Address, Contact person, or Telephone number. You must activate your EPA ID number if you generate 100 Kg/mo or greater, and if you generate 1 kg/mo of acutely hazardous waste. If you sell your company to someone who generates a hazardous waste the ID number must be activated.

Sincerely,

R.J. Edwards, Administrative Assistant
Division of Waste Management
