Subject: Approval of the Amendment to the Operations Manual  
Anderson Creek Landfill Facility  
Harnett County, North Carolina  
Permit Nos. 4303-CDLF-1997, Document ID No. (DIN) 25745

Dear Ms. Bader:

On March 10, 2016 the Solid Waste Section (SWS) received your request for an approval of an amendment to the Operation Manuals, a component of the Permit to Construct Application (DIN 24434) approved on June 05, 2015. This letter is scanned to the document tracking system with a DIN 25744. According to the letter, Harnett County (the County) plans to place a container, 8-foot wide by 20-feet long by 8.5-feet tall, inside the Convenience Center within the Anderson Creek Landfill Facility to collect recyclables or reusable goods such as, gently used furniture, toys, and baby furniture and accessories. The County will place proper sign(s) on or by the container for the purpose.

The SWS approves your request and appreciates the efforts to diverse waste stream for reuse or recycle made by Harnett County. Please place this approval letter to the landfill facility operating records.

Sincerely,

Ming-Tai Chao, P.E.

Hi Amanda:

The Solid Waste Section approves your request of the planned waste reuse/recycling activity at Harnett County Anderson Creek Landfill Facility, Permit No. 4303-CDLF-1997. The electronic copy of the approval letter is attached to this e-mail message; the hard copy of the letter will be mailed to you attention today.

Please update the facility plan/operation plan drawing(s) by adding this container location to the Convenience Center and submit this revised drawing(s) in the future permit application document. Thanks and have a wonderful weekend.

Hi Ming –

Please find attached our request to add a container at the Anderson Creek Convenience Center for the collection of used goods for non-profits in Harnett County.

Thanks  
Amanda
