RE: Anderson Creek Landfill Facility
Permit Nos. 43-03 & 43-09T

Dear Mr. Chao:

Harnett County requests an amendment to the Operations Plan, Section 2.7 Convenience Center Operations, which will allow the addition of a collection container, 8ft wide x 20 ft long x 8.5 ft tall for gently used furniture, toys, and baby furniture and accessories. The container will be located at the convenience center at the landfill with signage. The items deposited at the collection center will be distributed to non-profits in the County. This will provide an opportunity for diversion of waste materials.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Amanda L. Bader". The signature is written in a cursive style with a large initial "A".
