RE: Notice of Cancellation  
EPA Identification Number  
NCD982099517

State	RCRIS
SQG	SQG
5/11/82	5/11/87

A notice was mailed on November 23, 1994, stating that failure to pay the annual fee by December 31, 1994, would result in cancelation of the EPA Identification Number. This notice was mailed Certified Mail and was returned to this office undelivered. As of January 25, 1995, this office has not received the annual hazardous waste fee or Waste Minimization Report. Therefore, the EPA identification number has been canceled. The identification number, though inactivated, will historically remain associated with the property.

Use of an inactive EPA identification number will result in an administrative penalty of up to \$25,000.00 per day per violation, pursuant to N.C.G.S. 130A-22(a) and 15A NCAC 13B .0701 - .0707, assessed for violation of the hazardous waste law or regulations.

RE: Final Notice for Annual Fee and Waste Minimization Report

Dear PATEL PRADIP:

The original invoice and the second notice for your annual hazardous waste fee (fee) and the Waste Minimization Report Form (Report) were mailed to you on July 1, 1994, and September 21, 1994, respectively. As of November 23, 1994, you have failed to respond to these requests for fee payment and for submittal of the Report. You must send a \$25.00 check or money order payable to the Division of Solid Waste Management and the completed Report to the following address:

Ms. Carol Walker  
Hazardous Waste Section, DEHNR  
Post Office Box 27687  
Raleigh, North Carolina 27611-7687

Failure to pay the fee and submit the Report by December 31, 1994, will result in the loss of your EPA Identification Number (ID Number). If the requirements above are not met and you should later use a revoked ID Number, pursuant to N.C.G.S. 130A-22(a) and 15A NCAC 13B .0701 - .0707, an administrative penalty of up to \$25,000.00 per day per violation will be assessed for violation of the hazardous waste law or regulations.
