Dear Ms. Waylett:

I am writing in response to your letter dated February 4, 2000 regarding payment of past due generator fees. When I submitted this invoice for payment, I was informed that this unit, located at 207 Industrial Avenue, in Greensboro, North Carolina, was sold on May 11, 1998. As I understand, these past due generator fees are for fiscal year beginning July 1, 1998 through June 30, 1999. As such, since Sears sold the property before the beginning of the fiscal year, I do not believe we would be subject to these fees. If you require additional information or have further questions, please do not hesitate to contact me at the above telephone number and address.

Sincerely,

*Kathleen M. Flaherty*
