**Subject:** Instructions for Completing Facility Annual Report for the period of July1, 2014-June 30, 2015

Dear Tod Hancock:

Your facility is required to complete and submit an annual report for solid waste activities. You need to have your form completed and submitted no later than **August 1, 2015**. The forms for this reporting can be found on our website at:

<http://portal.ncdenr.org/web/wm/sw/annualreports>

When you visit the website you will see the links to the pdf forms. You will need Adobe Reader to open the files. It is probably already on your computer, but if not you can download the program for free from the Adobe website (<http://get.adobe.com/reader/>).

According to our records, you need to complete the **Household Hazardous Waste Facility** form. We ask that you make sure to use the appropriate form for your facility type as each form contains facility-specific questions. Besides using the correct facility form, you will also need to ensure that you use the following information when filling-in the top line of the form. Where your form asks for:

Facility Name: **Davidson County HHW**  
Permit: **2906-HHW-**

Taking time to get these initial steps correct will speed up the processing of your information and keep you from having to re-do your form.

Please try to answer all the questions on your form as accurately and completely as possible. If you are unsure what is being asked for or get stuck, there are two sources for help. First, take a look at your report from last year; this may help jog your memory. Second, contact **Deb Aja** at **828.296.4702** or email to [Deborah.Aja@ncdenr.gov](mailto:Deborah.Aja@ncdenr.gov). When you have completed your required facility annual report, you will need to do the following:

1. Be sure to save a copy of the report on your computer, using "Save as..."
2. Print a copy of the completed report. You can use the "Print Form" button found near the signature line or use the program's print command. You need to be sure to sign the form. A copy of the form must be sent to the **County Manager of EACH county** from which your facility received waste and a copy must be sent to the address below:

Deb Aja  
NC DENR-Solid Waste Section  
2090 US Highway 70  
Swannanoa, NC 28778  
Or  
[Deborah.Aja@ncdenr.gov](mailto:Deborah.Aja@ncdenr.gov)

Don't forget to attach any additional sheets or attachments!

We appreciate your continuing efforts in providing information to this office and the services you provide the people of North Carolina. We look forward to hearing from you soon.

Sincerely,

Ethan Brown  
Planning and Programs Branch, Solid Waste Section  
(919) 707-8249 or [ethan.brown@ncdenr.gov](mailto:ethan.brown@ncdenr.gov)  
Division of Waste Management  
Department of Environment and Natural Resources

According to (G.S. 130A-309.09D(b)) completed forms must be returned by August 1, 2015 and a copy of this report must be sent to the County Manager of each county from which waste was received. If you have questions or require assistance in completing this report, contact your Regional Environmental Senior Specialist.
