Re: Upcoming Corporate Reorganization

Dear Sir/Madam:

Jefferson Smurfit Corporation (U.S.) (d/b/a Smurfit-Stone Container Corporation) ("JSC") owns and operates a Label facility located at 1006 Norwalk Street, Greensboro, NC 27407 (the "Facility"). JSC currently holds A Hazardous Waste EPA ID# NCR00000315 for the Facility.

The purpose of this letter is to notify you that on or about October 31, 2004, Smurfit-Stone Container Corporation ("SSCC"), the publicly traded, indirect parent company of JSC, will be consolidating its operating subsidiaries: JSC and Stone Container Corporation ("Stone"). To effectuate the consolidation, JSCE, Inc., JSC's direct parent, will merge with and into JSC with JSC being the surviving corporation. JSC will then merge into Stone. Stone will be the surviving company and will remain a wholly-owned subsidiary of SSCC. Stone's new legal name will be "Smurfit-Stone Container Enterprises, Inc.," but the company will continue to do business as "Smurfit-Stone."

The upcoming transaction will be an internal, corporate reorganization that will not result in any changes in management control over the Facility or in management or environmental personnel at the Facility. Further, there will be no change in the Facility's daily operations as the result of this consolidation.

Following the consolidation, we will make arrangements to submit necessary follow-up paper work and make any other submissions required to change the above-referenced permit(s) to show "Smurfit-Stone Container Enterprises, Inc. (d/b/a Smurfit-Stone Container Corporation)" as the permittee. In the meantime, please contact me if you have any questions about this matter or need additional information or documentation prior to the consolidation.

Sincerely,

Robert Wood  
Environmental Services Manager
