Re: Notice of Violation Docket Number 2004-048

Dear Mr. Burchette:

I have received your letter describing actions taken to comply with the Notice of Violation issued to your site. As all contaminated soils were excavated and post excavation sampling determined that all contamination has been remediated to below risk-based levels, no further action is required for this incident.

If you have any questions concerning this issue, please contact me at the number listed below.

Sincerely,

Roberta Proctor, Environmental Chemist
