Subject: Initial Notification of Regulated Waste Activity
Martin Marietta Composites, Inc. – Sparta Facility
Alleghany County, NC

Dear Mr. Wilson:

Enclosed please find a completed RCRA Subtitle C Site Identification Form for the above referenced facility. This form covers the initial notification to obtain an EPA ID Number.

Activity at this site began in late 2003 and production has been very minimal to date. At this time we are aware of the need to dispose of only a limited quantity of items mainly related to solvents and clean-up materials. We certainly will know more about our waste needs and quantities as the process grows.

Please review this application and contact me if there are any questions on the matter.

Sincerely,

Steve Whitt, P.E.
