Waters Edge Job No. R4-01

Dear Mr. Hudson:

On June 5th 2007, Waters Edge conducted our 2007 annual inspection of the Third Creek Monofill located at Statesville, North Carolina. We noted the overall conditions of the site to be very good. No subsidence or irregularities were noted with the trenches. No erosion was noted in the trapezoidal ditch. Site security was found to be good with fencing in good condition and locked. All monitoring wells were well protected and were locked. The overall site was found to be in excellent condition.

If you have any questions or require any additional information regarding these activities, please contact us at (919) 859-9987

Sincerely,

WATERS EDGE ENVIRONMENTAL, LLC
