Dear MS. Spinks:

Enclosed you will find a Hazardous Waste check in the amount of \$250.00 for two of our facilities: Plant #1 & #3, respectively for payment in full for our annual Hazardous Waste fee.

Additionally, enclosed are completed Waste Minimization Questionnaires for both facilities, as required and the 2008 Annual Facility Verification Form for each of our facilities. After perusing and you have any questions or concerns, let us hear from you and we will address them. Thank you

Yours truly,
