Re: Hazardous Waste Fee (Invoice)  
Waste Minimization Questionnaire

Dear Ms. Davalos:

Enclosed you will find a Hazardous Waste check for annual fees of \$250.00 for two of our facilities: Plant #1 & #3, respectively.

Additionally, enclosed are completed Waste Minimization Questionnaires for both facilities, as required by the applicable NC Hazardous Waste Management Rules at **15A NCAC 13A**. After perusing and you have any questions or concerns, let us hear from you and we will address them.

Thank you  
Yours truly,
