Dear Ms. Cory:

I have completed my review of the Revised Soil Investigation Plan (Plan) prepared for the subject site, submitted by Catlin Engineers and Scientists (Catlin) and received on June 15, 2012. The Plan is approved.

As stated in the Remedial Investigation Request letter dated April 28, 2011, Flint Hills Resources must notify the Division no less than ten (10) days prior to any field activity. Please also provide a hard copy of the requested Soil Remedial Investigation Report, by **October 5, 2012**. If you have any questions, please contact me at (910) 796-7340.
