Dear Mr. Blake:

Your Part B Application and all associated addenda are considered to constitute a complete application package in accordance with 40 CFR 124.3 as adopted in 15A NCAC 13A .0105. This office reserves the right to request more information when necessary to clarify, modify, or supplement previously submitted material. Requests for such additional information will not render the application incomplete.

While the application is considered complete, the following information is needed to clarify, modify, or supplement the renewal application:

1. Please provide the name of someone on site as a contact for us with their telephone number and e-mail. This item may be submitted separately from the Application.
2. Verify that the date Safety-Kleen became operator of the facility (Item 9.b on the RCRA Subtitle C Site Identification Form) as this date has changed from the last submittal.
3. Indicate that Mr. Duffie is signing as both owner and operator.
