Subject: Monitoring Well Construction
Permit # WM0500908
Alcatel Facility (former)
2912 Wake Forest Road
Raleigh, NC-Wake County

To Whom It May Concern;

In accordance with the application received on September 25, 2012, and the additional requested information received on September 26, 2012, we are forwarding herewith Monitoring Well Construction Permit No. WM0500908 dated September 26, 2012, issued for the construction of a monitor well system (installation of five wells) at the subject property. **Please be aware that some counties have well construction programs, and you may be required to obtain a well construction permit before installation.**

This Permit will be effective from the date of its issuance and shall be subject to the conditions and limitations as specified therein. Please note the addition of stipulation #3 to the permit enclosed.

Sincerely,

S. Jay Zimmerman, L.G.
Chief, Aquifer Protection Section

PERMIT FOR THE CONSTRUCTION OF A MONITORING WELL

In accordance with the provisions of Article 7, Chapter 87, North Carolina General Statutes, and other applicable Laws, Rules and Regulations.

PERMISSION IS HEREBY GRANTED TO

Alcatel Lucent, USA

FOR THE CONSTRUCTION OF A MONITOR WELL SYSTEM (Alcatel Facility-former) consisting of five wells owned by Alcatel Lucent, USA at mailing address at 2301 Sugar Bush Road in Raleigh, NC. The wells will be located on the property owned by ITB Holdings, LLC located at 2912 Wake Forest Road in Raleigh, NC-Wake County. This Permit is issued in accordance with the application received on September 25, 2012, and the additional information received on September 26, 2012, in conformity with specifications and supporting data, all of which are filed with the Department of Environment and Natural Resources and are considered integral parts of this Permit.

This Permit is for **well construction only**, and does not waive any provision or requirement of any other applicable law or regulation. Construction of any well under this Permit shall be in strict compliance with the North Carolina Well Construction Regulations and Standards (15A NCAC 02C .0100), and other State and Local Laws and regulations pertaining to well construction.

If any requirements or limitations specified in this Permit are unacceptable, you have a right to an adjudicatory hearing upon written request within 30 days of receipt of this Permit. The request must be in the form of a written petition conforming to Chapter 150B of the North Carolina General Statutes and filed with the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, North Carolina 27699-6714. Unless such a demand is made, this Permit is final and binding.

This Permit will be effective for one year from the date of its issuance and shall be subject to other specified conditions, limitations, or exceptions as follows:

1. Issuance of this Permit does not obligate reimbursement from State trust funds, if these wells are being installed as part of an investigation for contamination from an underground storage tank or dry cleaner incident.
2. Issuance of this Permit does not supersede any other agreement, permit, or requirement issued by another agency.
3. The well(s) shall be located and constructed as shown on the attachments submitted as part of the Permit application.
4. Each well shall have a Well Contractor Identification Plate in accordance with 15A NCAC 02C .0108(o).
5. Well construction records (GW-1) for each well shall be submitted to the Division of Water Quality's Information Processing Unit within 30 days of the well completion.
6. When the well is discontinued or abandoned, it shall be abandoned in accordance with 15A NCAC 02C .0113 and a well abandonment record (GW-30) shall be submitted to the Division of Water Quality's Information Processing Unit within 30 days of the well abandonment.

Permit issued this the 26th of September 2012
