RE: PROVISIONAL EPA ID: # NCP121012077
NC DOT DIV 11 SURRY BRIDGE #170

Dear Facility Contact :

The above Provisional EPA ID Number has been assigned to your facility as a handler of hazardous waste. This number is to be used for the hazardous waste activity as described on the application. Specifically, please note that the Provisional EPA ID Number is for the shipment of hazardous waste from none other than the facility and site identified on the application. This number is effective for a period of ninety (90) days only.

All handlers of hazardous waste are required to pay an annual fee. N.C.G. S. 130A-294.1 (f) requires that a person who generates greater than 100 kilograms (220 lbs.) but less than 1,000 kilograms (2,200 lbs) of hazardous waste in any calendar month during the year shall pay an annual fee of one hundred seventy-five dollars (\$175.00). Effective July 1, 2010, Hazardous Waste fees increased pursuant to the North Carolina General Statute 130A-294.1. The new hazardous waste fees may be found on page two of the attached Invoice. N.C.G.S. 25-3-506 states that a processing fee of \$25.00 will be charged for a returned check.

If you have any questions, please contact Ray Strawbridge at (919)-707-8231.

Sincerely,

Patricia Davalos
Supervisor, HWS Financial and Information Management Unit
