David,

Regarding ECOFLO's quote #4857, dated January 16, 2013 for the cleanout and disposal of Emerald Carolina Chemical's formaldehyde tank – our quote was for a turnkey project resulting in the incineration of the extracted paraformaldehyde for disposal purposes.

David, if there are any questions pertaining to how ECOFLO normally handles this type of waste stream, or any others for that matter, please do not hesitate to contact me directly.

Best regards,

Christopher P. Hutts
