Dear Mr. Moretz:

On July 18, 2014, the North Carolina Brownfields Program (NCBP) received Bryant Park Tract F Post-Construction Confirmation Sampling Report prepared by Hart & Hickman. The report summarized the collection of post-grading sampling and other events. Be advised that this approval from the NCBP does not waive any applicable requirement to obtain any necessary permits, licenses or certifications for the above listed activities nor does it waive any requirement to comply with applicable law for such activities. If you have any questions or comments, please contact me at 704/661-0330.

Sincerely,

Carolyn Minnich
