Laurinburg, North Carolina

Dear Mr. Burchins:

Please find enclosed two copies of a Notice of Intent to Redevelop a Brownfields Property,
attached with Proposed Notice of Brownfields Property.

These documents are requirements for the entry of property located at 16900 North US Hwy
15-401 Bypass into the North Carolina Brownfields Program. Pursuant to N.C. Gen. Stat.
§ 130A-310.34(a) and the North Carolina Brownfields Program, the prospective developer,
Marketta, LLC, is required to provide a copy of the full Notice of Intent (NOI) to the local
government, and is also required to provide a copy of the full NOI for public review.

In accordance with those requirements, we are providing one copy for review by your office
and a second copy to be kept and made available for the public to review. I have already
spoken with Ms. Dee Hammond, who stated that this arrangement would be acceptable.

For your information, a Summary of Notice of Intent will be posted at the site, and will also
run in The Laurinburg Exchange. The Summary Notice of Intent states that a copy of the full
NOI will be available for review at your offices.
