Attachments: letter to Lisa Amending BFA area.doc

For the S. Elm St. file. This is an amendment to the original LOI from way back. They are adding and removing parcels.

Thanks!

Subject: Amendment to properties to be included in South Elm Street Brownfields Agreement

Lisa, I have attached a letter requesting an amendment to our Letter of Intent for the South Elm Brownfields Agreement, giving the properties to be excluded, the new ones to be included, and a complete list of all the properties to be included. Please let me know if this will provide what you need to proceed, or if there's any other information that you need for the amendment. If you'd like a hard copy of the letter or of the plat that I sent you earlier, please let me know.
