Re: Remedial Investigation  
Koch North Terminal – Paraxylene Facility (formerly)

Ms. Henderson,

This email letter serves to notify the North Carolina Department of Environment and Natural Resources (NCDENR), Division of Waste Management (DWM), Inactive Hazardous Sites Branch that Flint Hills Resources, LP is proceeding with the preparation and submission of a Remedial Investigation Workplan for the INVISTA S.à r.l. North Terminal - Paraxylene Facility (NCD000772046; previously APS Incident Nos. 205, 361 and 15475) , per the request provided in the NCDENR, DWM correspondence addressed to Flint Hills Resources, LP, on April 28, 2011 . As provided in the final paragraph of the April 28, 2011 correspondence from NCDENR, this notice is being provided to NCDENR within the thirty (30) day window for response. The requested Remedial Investigation Workplan will be submitted to NCDENR within ninety (90) days of FHR's receipt of the April 28, 2011 NCDENR correspondence.

Should you have any questions please contact me at 316-828-7249 or via email at [Nicole.cory@fhr.com](mailto:Nicole.cory@fhr.com).

Sincerely,  
Flint Hills Resources, LP
