

**Brownfields Project #:** 11031-07-36  
**Brownfields Property:** CRS Facility, 1224 Isley Drive  
**Property Owner (In whole or part):** Gastonia CRS Investments, LLC

**LAND USE RESTRICTIONS (“LUR”) UPDATE**

LUR 1: No use may be made of the Brownfields Property other than for industrial, storage and/or office purposes, and/or, if the Department of Environment and Natural Resources (“DENR”) determines in writing in advance that the Brownfields Property is suitable for such use while fully protecting public health and the environment, any other commercial purpose, all as limited by the other Land Use Restrictions below. Within the meaning of this Land Use Restriction, the following definitions apply:

- a. “Industrial” refers to:
  - i. the assembly, fabrication, processing, storage, transportation and/or distribution of goods and materials using processes that may have greater than average (though legal) impacts on the environment, and may have significant (though legal) impacts on the use and enjoyment of adjacent property that relate to noise, smoke, fumes, odors, glare, or health and safety hazards; or
  - ii. any assembly, fabrication or processing of goods and materials where the area occupied by outdoor storage of goods and material used in the assembly, fabrication or processing exceeds 25 percent of the floor area of all buildings on the Brownfields Property.
- b. “Office” refers to the rendering of business or professional services.
- c. “Commercial” refers to an enterprise carried on for profit by the owner, lessee or licensee.

LUR 2: No activities that encounter, expose, remove or use surface water or groundwater (for example, installation of water supply wells, fountains, ponds, lakes or swimming pools, or construction or excavation activities that encounter or expose groundwater) may occur on the Brownfields Property without prior water sampling and analysis to the written satisfaction of DENR in any areas proposed for such activities, and

submittal of the analytical results to DENR. If such results disclose to DENR contamination that DENR determines may make the Brownfields Property unsuitable for the uses specified in subparagraph 1.a. of the Notice of Brownfields Property ("Notice"), the proposed activities may not occur without the prior written approval of DENR, including at a minimum compliance with plans and procedures, approved pursuant to applicable law, to protect public health and the environment during the proposed activities.

LUR 3: The owner(s) of the portion of the Brownfields Property denominated "Contaminated Soil" on the plat component of the Notice shall be responsible for maintaining to DENR's reasonable satisfaction the asphalt or concrete over that portion. Soil in said portion may not be disturbed without prior soil sampling and analysis to the written satisfaction of DENR. If said sampling discloses contamination that DENR determines renders the Brownfields Property unsuitable for the uses specified in subparagraph 1.a. above, the soil may not be disturbed without the prior written approval of DENR on such conditions as DENR imposes, including at a minimum compliance with plans and procedures, approved pursuant to applicable law, to protect public health and the environment during the soil-disturbing activities.
