Subject: Remediation Update Report for
August 5, 2004 to February 25, 2005
Flint Hills Resources, LP – North Terminal
3325 River Road
Wilmington, NC

Dear Mr. Smading:

The Division of Water Quality (DWQ) has received the subject report prepared and submitted on your behalf by Catlin Engineers and Scientist. Thank you for providing us with this document.

Please continue remediation and monitoring activities as described in the report. If you have any question or require any additional information regarding this matter, please contact Sam Watson at (910) 796-7270.

Yours very truly,

A handwritten signature in black ink, appearing to read "C. F. Stehman".

Charles F. Stehman, Ph.D., P.G.
Environmental Regional Supervisor I
