Subject: **Perimeter Monitoring Well June 2005 Data**
Flint Hills Resources, LP – North Terminal
3325 River Road
Wilmington, NC

Dear Mr. Smading:

The Division of Water Quality (DWQ) has received the subject report prepared and submitted on your behalf by Catlin Engineers and Scientist. Thank you for providing us with this document.

Please continue remediation and monitoring activities as proposed. If you have any questions, please contact Sam Watson at (910) 796-7270.

Yours very truly,

A handwritten signature in black ink, appearing to read "C. F. Stehman".

Charles F. Stehman, Ph.D., P.G.
