Re: 925 West Morgan/Brownfields Project No. 15029-11-92

Dear Sharon:

As you know, this firm represents Corning Road, L.L.C., the Prospective Developer identified in the original application submitted for the above-referenced project, and West Morgan, LLC, the current owner of the property that is the subject of the application. As we have discussed, and as contemplated by your July 12 email to me, we hereby request that that you change the name of the Prospective Developer for the Brownfields Project from Corning Road, L.L.C. to West Morgan, LLC. We have attached as Exhibit A a description of the ownership of Corning Road, L.L.C. and West Morgan, LLC to support this name change request. We request, however, as we have previously mentioned, that you treat the information on Exhibit A as confidential. We incorporate by reference the other information we previously submitted in support of Corning Road, L.L.C.'s original application. We understand that a revised application and revised affidavit showing West Morgan, LLC as prospective developer are not required at this time.

We appreciate your continued assistance with this project. Please let me know if you have any questions or you need additional information.

Very truly yours,

Moore & Van Allen PLLC
