

final brownfields agreement generated by the NCBP, land use restrictions will ultimately come with the continuing obligation to submit an annual certification that the Land Use Restrictions are being complied with and are recorded at the applicable register of deeds office.)

IV. Fees

In connection with a brownfields agreement, the Act requires that the developer pay fees to offset the cost to the Department of Environment and Natural Resources and the Department of Justice. In satisfaction of the Act, the following fees apply to any brownfields agreement that is developed for this project, subject to negotiation of the brownfields agreement:

- a. A \$2,000 initial fee will be due from the applicant PD when **both** of the following occur:
 - 1) NCBP receives this application and proposed brownfields agreement, AND
 - 2) NCBP notifies the applicant in writing that the applicant PD and the project are eligible for participation in the NCBP and continued negotiation of a brownfields agreement.
- b. A second fee of \$6,000 will be due from the PD prior to execution of the brownfields agreement. Should the prospective developer choose to negotiate changes to the agreement that necessitate evaluation by the Department of Justice, additional fees shall apply.
- c. Any addendum/modifications to the BFA or NBP after they are in effect will result in an additional fee of at least \$1,000.
- d. In the unexpected event that the environmental conditions at the property are unusually complex, such that NCBP's costs will clearly exceed the above amounts, NCBP and PD will negotiate additional fees.

 Please check this box and initial in space provided to indicate your acknowledgement of the above fee structure.
