Compliance Branch Head
Hazardous Waste Section

From: Brent burch
Western Compliance Supervisor

Subject: Aircraft Painting & Interiors, LLC
3680 Airport Loop Road
Salisbury, Iredell County, N.C.
NCR 000 143 867

Attached for your review, comments and transmittal is an enforcement package for the subject facility. The findings of this investigation were identified during a Compliance Evaluation Inspection conducted at the subject facility on October 18, 2007. The evaluation was conducted in response to a complaint forwarded from the NC Division of Air Quality. At the time of the CEI the facility was found to be operating as a hazardous waste storage, treatment, and disposal facility. The facility's mismanagement of hazardous waste has resulted in a release of hazardous waste to the environment. This facility has been identified as a Significant Non-Complier (SNC). This determination has been made due to the findings of this inspection.

If additional information is needed please advise.
