Subject: Notification - Coal Ash Beneficial Structural Fill
Cherry Point Marine Corps Air Station – Waste Water Treatment Plant
Cherry Point, NC
Craven County
DIN 26178

Dear Mr. Radford:

The Solid Waste Section (Section) has reviewed the Structural Fill Application submitted by the United States Marine Corps on May 18, 2016 (DIN 26177). The application meets all of the requirements specified in § 130A-309.219(a)(1) of the North Carolina General Statutes – Chapter 130A Article 9. This notification includes the following information as required by § 130A-309.219(b)(1):

1. **Nature, Purpose and location of the project:** This project proposes the use of approximately 5,000 cubic yards of coal ash generated from the Cherry Point Central Heating Plant as structural fill for the replacement of two trickling filters at the Cherry Point Waste Water Treatment Plant.

Quad sheet: Craven: 34.9131158 North Latitude; -76.9068902 West Longitude

2. **Estimated start:** When approved by the Section
Estimated completion: August 31, 2016
3. **Estimated volume:** 5,000 cubic yards
4. **TCLP analysis from coal ash:** included in application
5. **Signed statement from the owner:** This is not applicable due to the waste water treatment plant being located on United States Federal Government property.
6. **CCB generator:** Cherry Point Marine Corps Air Station - Central Heating Plant
Location of generating plant: Building 152 Phantom Road

Mailing address: PSC Box 8006 LCE, MCAS Cherry Point 28533-0006
Contact: Milton Rolison
Telephone number: (252) 466-2890
Statement that notification will be given to DWM if changes are to occur.

Construction may now begin on this project.

During the construction process, North Carolina Solid Waste Management 15A NCAC 13B Rules .1701, .1702, .1704, .1705, .1706, .1707, .1708, .1709, and .1710 shall also be adhered to.

If you have any questions or concerns, please contact myself at (919) 707-8281 or Elizabeth Werner via email elizabeth.werner@ncdenr.gov or phone (919) 707-8253.

Sincerely,

Edward F. Mussler, P.E.
