Subject: Well Construction Permits No. WM0100262, 45 S. French Broad Avenue, Asheville, North Carolina Nu-Way - Cleaners DSCA Site #11-0005

Dear Mr. Powers,

In accordance with the application received on May 5th, 2011, we are forwarding herewith Well Construction Permit numbered WM0100262 dated May 9, 2011 issued for the construction of one monitoring well as described in the application and attached permit. This monitoring well will be drilled on property owned by Josiah Hyatt, Downtown Market LLC (PIN # 9648290585).

This Permit will be effective from the date of issuance and shall be subject to the conditions and limitations as specified therein. A Well Construction Record (GW-1a) shall be completed, signed by the certified drilling contractor, and submitted to the Department upon completion of the well. Please note attached permit conditions.

Sincerely,

G. Landon Davidson, L.G.
Aquifer Protection Section Regional Supervisor

NORTH CAROLINA
ENVIRONMENTAL MANAGEMENT COMMISSION
DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES
SWANNANOVA, NORTH CAROLINA

PERMIT FOR THE
CONSTRUCTION OF A WELL

In accordance with the provisions of Article 7, Chapter 87, North Carolina General Statutes, and other applicable Laws, Rules and Regulations,

PERMISSION IS HEREBY GRANTED TO
NCDENR-DSCA Program

FOR THE CONSTRUCTION OF One (1) monitoring well (MW-15) in the Blue Ridge Geologic Belt, located on property owned by Josiah Hyatt of Downtown Market LLC (PIN# 9648290585), in accordance with the application dated May 5, 2011, and in conformity with specifications and supporting data, all of which are filed with the Department of Environment and Natural Resources and are considered a part of this Permit.

This Permit is for well construction only, and does not waive any provisions or requirements of any other applicable laws or regulations.

Construction of a well under this Permit shall be in compliance with the North Carolina Well Construction Regulations and Standards, and any other State and local laws and regulations pertaining to well construction.

This Permit will be effective for the construction of a monitoring well from the date of its issuance and shall be subject to other specified conditions, limitations, or exceptions as follows:

1. You are required to provide a copy of this permit to the property owner;
2. You are required to provide notification to the property owner upon well completion and upon termination of monitoring;
3. You are to provide 24 hours notice to the APS ARO prior to well construction. Notice may be provided via email or by calling 828.296.4684;
4. The monitoring well shall be maintained in accordance with 15A NCAC 2C .0108; and,
5. The well shall not hydraulically connect separate aquifers.

Permit issued this the 9th day of May, 2011.
