Dear Ms Tatum,

Thank you for you letter regarding testing water at the Marwyck LLC property.
We appreciate you offer, but on behalf of the company we decline to accept.

We do not have information to indicate that there is a reason to test the water.

We will take under consideration you suggestion to engage a company to test the water

Thank you,
Marwyck LLC

Dear Mr. Cooper:

The North Carolina Department of Environmental Quality, Division of Waste Management (Division) is currently conducting an investigation of groundwater contamination in the area of your property located at 412 Eddie Perry Rd in Pittsboro, Chatham County, NC. The purpose of this letter is to request your permission to sample the water supply well located on your property. This sampling will be performed by Division staff or the Division's contractor at no cost to you. You do not have to be present to have your well sampled. Samples will be collected from either a faucet at the well or on the exterior of your home. The laboratory results will be forwarded to you as soon as possible. To provide the Division permission to sample your well, please sign the attached permission form and return it to our office in the enclosed stamped envelope within 14 days. Upon receipt we will notify you of the planned date of sampling.

If you do not wish to grant the Division permission to sample your well, we recommend you have it tested for metals and volatile organic contaminants by a private laboratory or the local health department because of the concerns for contamination in the area. The private lab or health department will likely charge a fee for this sampling. Please contact Cheryl Marks at (919) 707-8333 or at Cheryl.marks@ncdenr.gov or Katie Tatum at (919) 707-8155 or at Katie.tatum@ncdenr.gov if you have any questions.

Sincerely,

Katie Tatum

Dear Ms. Brown:

The North Carolina Department of Environmental Quality, Division of Waste Management (Division) is currently conducting an investigation of groundwater contamination in the area of your properties located at 360 Eddie Perry Rd and Eddie Perry Rd in Pittsboro, Chatham County, NC. The purpose of this letter is to request your permission to sample the water supply wells located on your properties. This sampling will be performed by Division staff or the Division's contractor at no cost to you. You do not have to be present to have your well sampled. Samples will be collected from either a faucet at the well or on the exterior of your home. The laboratory results will be forwarded to you as soon as possible. To provide the Division permission to sample your well, please sign the attached permission form and return it to our office in the enclosed stamped envelope within 14 days. Upon receipt we will notify you of the planned date of sampling.

If you do not wish to grant the Division permission to sample your well, we recommend you have it tested for metals and volatile organic contaminants by a private laboratory or the local health department because of the concerns for contamination in the area. The private lab or health department will likely charge a fee for this sampling. Please contact Cheryl Marks at (919) 707-8333 or at Cheryl.marks@ncdenr.gov or Katie Tatum at (919) 707-8155 or at Katie.tatum@ncdenr.gov if you have any questions.

If your property is on city or county water and does not utilize a potable well or if you do not grant the Division permission to test your well, please fill out and return the attached No Potable Well form. This will allow the Division to update our records.

Sincerely,

Katie Tatum
